

Specialty V-Gard® Caps

NEW!

Specialty V-Gard Caps have that "painted look" finish. These caps are equipped with MSA's Fas-Trac® Suspension and slots to accept all MSA V-Gard Cap accessories.

MSA V-Gard Caps meet all applicable requirements for a Type I helmet as outlined in ANSI/ISEA Z89.1-2009 (Class E) and CSA Z94.1-2005 (Class E). These caps also meet the ANSI/ISEA Z89.1-2009 voluntary standard for reverse donning. Look for the official reverse donning logo  to determine if your hardhat may be worn backwards without voiding approvals.

Ordering Information

Specialty Helmets	
Full Decoration V-Gard Cap with Fas-Trac® Suspension	Part Number
Rally Cap (shown top left)	10101535
Metallic Gold* (shown top right)	10101854

Custom Imprinting and Striping

Logo Express® Service for MSA Helmets

A variety of MSA helmets can be customized with your logo, slogan, or striping imprinted on the headwear. You select the colors and areas to be imprinted, based upon available options per our guidelines. MSA uses both single- and multi-color imprinting techniques to provide a choice of up to four colors.

Image 2000SM Service

MSA offers Image 2000 Service, a photographic process to reproduce images. Available on white MSA helmets only.

Ordering Information

A minimum quantity of 20 custom-imprinted caps or hats (of same size and model) is required for initial and repeat orders. See bulletin #0617-03-MC for additional information.

Please call your local MSA distributor or MSA Logo Express with any questions at **1.800.MSA.LOGO**. More details are also posted on our Logo Express website: www.MSAnet.com/logoexpress
